SKILLS:

BACK END DEVELOPMENT :

Python Java C/C++ NodeJS Express

FRONT END DEVELOPMENT :

HTML CSS JavaScript Bootstrap ReactJS

DATA BASES :

SQL MongoDB

MISCELLANEOUS :

Web Designing Graphic Designing Git & GitHub

SOFT SKILL :

Teamwork Leadership

EXPERIENCE:

➤ PW Skills

- Attended 5+ events and workshops to promote PW Skills coding courses.
- Guided 50+ students on coding skills and opportunities
- Collected feedback from 15+ students, contributing to platform improvements.
- Demonstrated strong leadership and communication skills, fostering a culture of coding education on campus.

Campus Ambassador • Internship
Jan 2024 - Present

➤ Internshala

- Served as an Internshala Student Partner (ISP) at AITR, Indore.
- Organized 2 online events and workshops to promote Internshala's opportunities.
- Provided guidance and support to 100+ students in navigating Internshala's offerings.

Internshala Student Partner • Internship
Feb 2024 - Apr 2024

HACKATHONS:

1. Prayatna - National Level 36hr Hackathon

- Led team in developing an integrated platform merging features of Notion and GitHub.
- Focused on organized documentation, project management, and version control.
- Enhanced collaboration and productivity.
- Prioritized user experience and data security.

03/2024

AITR, Indore

2. Hackwave - National Level 36hr Hackathon

- Developed a smart search engine enabling multi-page searches within a single website.
- Implemented personalized result delivery based on user preferences.
- Engineered algorithms to interpret queries across multiple pages for efficient retrieval.
- Integrated user preference analysis to tailor recommendations.
- Enhanced user experience with streamlined searches and personalized results.

04/2024

CDGI, Indore

3. Decode-a-thon - Coding Competition

- Competed in a 2-hour coding event organized by IEEE Student Branch, AITR, and IT department of Acropolis Institute of Technology and Research.
- Solved complex problems using C and C++ among 50+ participants.
- Enhanced coding proficiency and problem-solving skills through real-time challenges.

05/2024

AITR, Indore

CERTIFICATIONS:

- Postman API fundamentals - Postman**
<https://api.badgr.io/public/assertions/2Y...>
- The Joy of Computing using Python - NPTEL**
https://nptel.ac.in/noc/E_Certificate/N...
- Node JS - Scaler**
<https://moonshot.scaler.com/s/sl/fQG...>
- OpenShift Applications (Introduction) - Red Hat**
https://drive.google.com/file/d/1P_FzA...
- Full Stack web Development (MERN Stack) - Apna College**
